001/2023
Rencana Kerja dan Anggaran Perusahaan (RKAP) 2023

The image shows a vertical grid of graph paper. The grid consists of 20 columns and 100 rows. The first two columns on the left are highlighted in yellow. The rest of the grid is white with black grid lines. The grid is oriented vertically on the page.

The image shows a vertical grid of graph paper. The grid consists of 20 columns and 100 rows. The first two columns on the left are highlighted in yellow. The rest of the grid is white with black grid lines. The grid is oriented vertically on the page.

The image shows a vertical sheet of graph paper with a grid of small squares. A vertical strip of the grid, approximately 10 squares wide, is highlighted in yellow. The rest of the grid is white with black lines. The grid is oriented vertically, with the yellow strip on the left side.

The image shows a vertical sheet of graph paper with a grid of small squares. A vertical strip of the grid, approximately 10 squares wide, is highlighted in yellow. The rest of the grid is white with black lines. The grid is oriented vertically, with the top edge at the top of the page and the bottom edge at the bottom. The yellow highlight is positioned on the left side of the grid, extending from the top to the bottom edge.

The image shows a vertical grid of graph paper. The grid consists of 20 columns and 100 rows. The first two columns on the left are highlighted in yellow. The rest of the grid is white with black grid lines. The grid is oriented vertically on the page.

The image shows a vertical sheet of graph paper. The grid consists of 20 columns and 100 rows. The first two columns on the left are highlighted in yellow. The rest of the grid is white with black lines. The grid is oriented vertically on the page.

The image shows a vertical grid of graph paper. The grid consists of 20 columns and 100 rows. The first two columns on the left are highlighted in yellow. The rest of the grid is white with black grid lines. The grid is oriented vertically on the page.

The image shows a vertical grid of graph paper. The grid consists of 20 columns and 100 rows. The first two columns on the left are highlighted in yellow. The rest of the grid is white with black grid lines. The grid is oriented vertically on the page.

The image shows a vertical sheet of graph paper. The grid consists of 20 columns and 100 rows. The first two columns on the left are highlighted in yellow. The rest of the grid is white with black grid lines. The grid is oriented vertically on the page.

The image shows a vertical sheet of graph paper. The grid consists of 20 columns and 100 rows. The second column from the left is highlighted in yellow. The grid is otherwise empty, with no text or markings.

The image shows a vertical grid of graph paper. The grid consists of 20 columns and 100 rows. The first two columns on the left are highlighted in yellow. The rest of the grid is white with black grid lines. The grid is oriented vertically on the page.

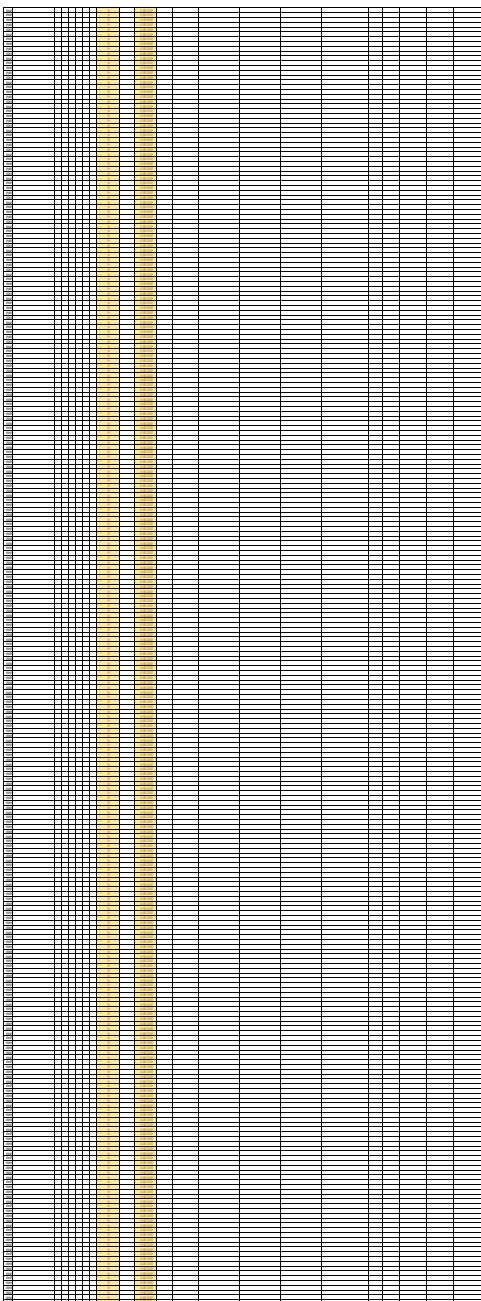

The image shows a vertical grid of graph paper. The grid consists of 20 columns and 100 rows. The first two columns on the left are highlighted in yellow. The rest of the grid is white with black grid lines. The grid is oriented vertically on the page.

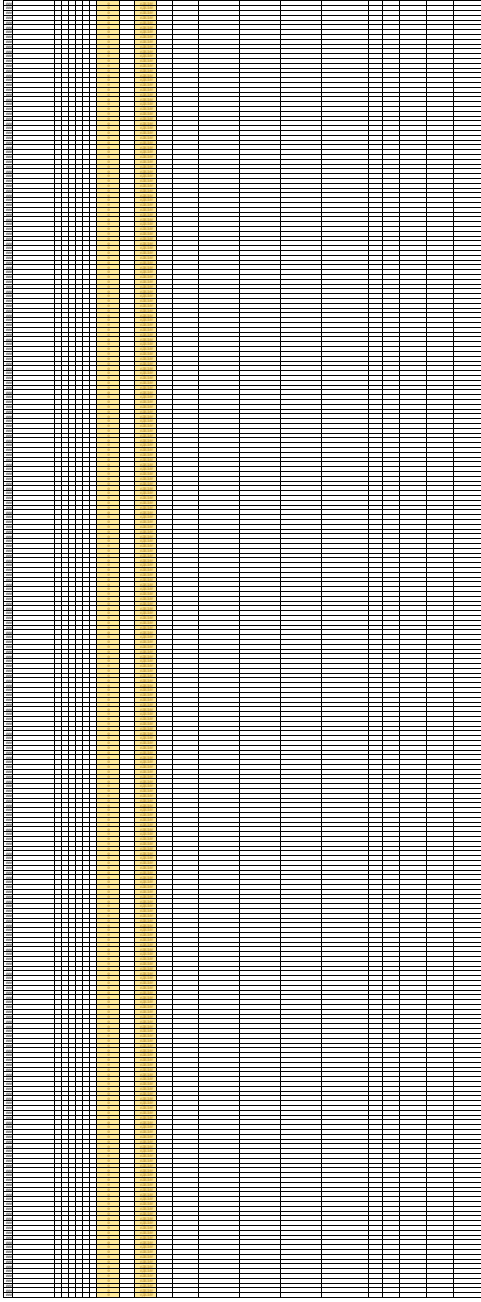

The image shows a vertical grid of graph paper. The grid consists of 20 columns and 100 rows. The first two columns on the left are highlighted in yellow. The rest of the grid is white with black grid lines. The grid is oriented vertically on the page.

The image shows a vertical grid of graph paper. The grid consists of 20 columns and 100 rows. The first two columns on the left are highlighted in yellow. The rest of the grid is white with black grid lines. The grid is oriented vertically on the page.

The image shows a vertical grid of graph paper. The grid consists of 20 columns and 100 rows. The first two columns on the left are highlighted in yellow. The rest of the grid is white with black grid lines. The grid is oriented vertically on the page.

The image shows a vertical grid of graph paper. The grid consists of 20 columns and 100 rows. The first column on the left is highlighted in yellow. The rest of the grid is white with black grid lines. The grid is oriented vertically on the page.

The image shows a vertical grid of graph paper. The grid consists of 20 columns and 50 rows. The first column on the left is highlighted in yellow. The grid is otherwise empty, with no text or markings.

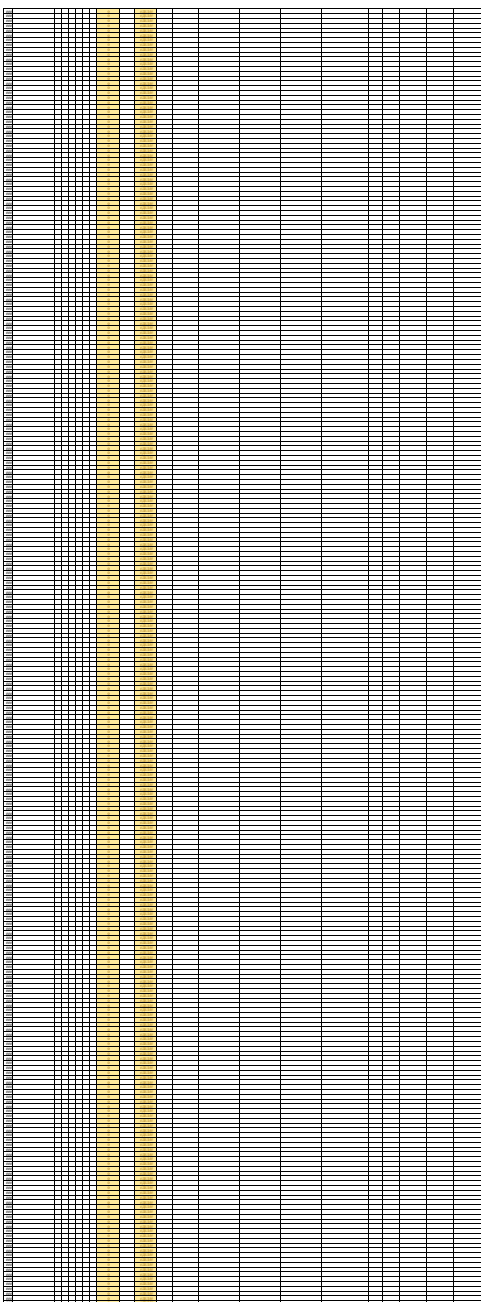

The image shows a vertical grid of graph paper. The grid consists of 20 columns and 30 rows. The second column from the left is highlighted in yellow. The grid is otherwise empty, with no text or markings.

A vertical grid of graph paper with a yellow highlighted column. The grid consists of 30 columns and 20 rows. The second column from the left is highlighted in yellow. The grid is used for drawing or calculations.

A vertical grid structure consisting of a series of horizontal lines forming rows. A single column is highlighted in yellow, running vertically through the center of the grid. The grid is composed of approximately 100 rows and 15 columns.

The image shows a vertical sheet of graph paper. The grid consists of 20 columns and 100 rows. The first two columns on the left are highlighted in yellow. The rest of the grid is white with black lines. The grid is oriented vertically on the page.

The image shows a vertical grid of graph paper. The grid consists of 20 columns and 100 rows. The first column on the left is highlighted in yellow. The rest of the grid is white with black grid lines. The grid is oriented vertically on the page.

The image shows a vertical sheet of graph paper with a grid of small squares. The grid is oriented vertically, with the top of the page on the left and the bottom on the right. A single column, the second from the left edge, is highlighted in a bright yellow color. The rest of the grid is white with black lines forming the squares. The grid consists of approximately 25 columns and 40 rows.

The image shows a technical drawing of a T-shaped cross-section. The top horizontal bar is filled with a grid pattern. The vertical stem is also filled with a grid pattern, with a yellow highlight in the center. The bottom horizontal bar is empty. The drawing is oriented vertically on the page.

Section	Material/Color
Top Flange	Grid Pattern
Web	Grid Pattern (Yellow Highlight)
Bottom Flange	Empty
